

OFFICE OF THE PRINCIPAL  
U.C.P. ENGINEERING SCHOOL, BERHAMPUR-760010 (GANJAM), ORISSA

NOTICE NO. 1430 / DATE 03.08.2023

1. Quotation for chemical engineering department for the purchase of the raw materials / miscellaneous articles as per list enclosed herewith.
2. Last date for acceptance of quotation is 16/08/23.
3. Quotation to be opened on 17/08/23 at 11a.m. in principal's chamber in the institution. Tenderer or their authorised representative may be present at the time of opening of the quotations.
4. Quotations should be submitted on clearly typed script on one side of the paper. All corrections should be duly initialed. Sealed cover containing quotation should be superscripted "QUOTATION FOR CHEMICAL DEPARTMENT" for purchase of raw materials / miscellaneous articles and should be sent by person/post/courier.
5. The quoted items should be as per the specification in the list enclosed. Quotation which do not confirm to the required specifications and are not correctly worded as per the quotation are likely to be rejected. Any alternative items should be shown separately from that of the specified items. Firms having GST number are allowed to submit their quotation.
6. The rate quoted should be valid for six months from the date of submission of the quotation.
7. Materials available under rate contract may be offered and rate contract stated will have preference over the other offers.
8. The details of the taxes chargeable should be clearly mentioned and the rates quoted should be F.O.R. Berhampur (Ganjam) railway or by the transport, in case of the outside supplier and for local supplier it should be delivered at the destination.
9. The undersigned reserves full right to accept or to reject any part of the quotations or in full without assigning any reasons.

Encl: As above

List of items with reference to Quotation call notice no 1430 /Date 30.08.23

| Sr | Name of item with specification | Unit<br>Quantity | Unit Price including GST |
|----|---------------------------------|------------------|--------------------------|
| 1  | pH indicator paper              |                  |                          |
| 2  | pH indicator solution           |                  |                          |
| 3  | Lithmus paper                   |                  |                          |
| 4  | Hydrazine sulphate              |                  |                          |
| 5  | Silver Nitrate                  |                  |                          |
| 6  | Ferroun Indicator               |                  |                          |
| 7  | Sodium Thiosulphate             |                  |                          |
| 8  | Urea                            |                  |                          |
| 9  | Phenolphthalain Indicator       |                  |                          |
| 10 | Pottasium Iodide                |                  |                          |
| 11 | Phenol                          |                  |                          |
| 12 | Ammonium Hydroxide              |                  |                          |
| 13 | Chloroform                      |                  |                          |
| 14 | EDTA                            |                  |                          |
| 15 | Hydroxyl amine hydrochloride    |                  |                          |
| 16 | Naphthanol                      |                  |                          |
| 17 | Potassium Carbonate             |                  |                          |
| 18 | Potassium Dichromate            |                  |                          |
| 19 | Potassium Peroxide Sulphate     |                  |                          |
| 20 | Silver Chloride                 |                  |                          |
| 21 | Starch Soluble                  |                  |                          |
| 22 | Zinc dust                       |                  |                          |
| 23 | Watch Glass                     |                  |                          |
| 24 | Wire Mesh                       |                  |                          |
| 25 | Tripod Stand                    |                  |                          |
| 26 | Burette                         |                  |                          |
| 27 | Pipette                         |                  |                          |
| 28 | Mortar Pistle                   |                  |                          |
| 29 | Fork                            |                  |                          |
| 30 | Test Tube Holder                |                  |                          |
| 31 | Thermometer                     |                  |                          |
| 32 | APC Make 600 VA UPS             |                  |                          |
| 33 | APC Make 1100 VA UPS            |                  |                          |
